DETAIL K

Notes:
1. Balcony kit can be manufactured to any length or width.
2. The AliRail Insight Glass Infill System has been subjected to independent testing for load performance. The Plate Fix option achieved 0.74kn/m loading. Test result data is indicative only and loading performance for individual balcony designs is the responsibility of the balcony designer.
3. AliRail is constructed completely from 100% aluminium (6063 T6 grade).
4. If glazed in situe the wedge gasket can be installed on the inside of the balcony, However we recommend installing the wedge gasket on the outside of the balcony.
