CROSS SECTION DETAILS

Notes:
1. Balcony kit can be manufactured to any length or width.
2. The AliRail Vertical Infill Spindle Balustrade System has been subjected to independent testing for load performance. The Plate Fix option achieved 0.74kn/m loading while the Top-Fix option achieved 1.5kn/m. Test result data is indicative only and loading performance for individual balcony designs is the responsibility of the balcony designer.
3. AliRail is constructed completely from 100% aluminium (6063 T6 grade).
